

ASHLAR

Structured, Sophisticated Stone Veneer

A NEW TWIST ON AN ICONIC STYLE

Unlike traditional Ashlar from centuries gone by, Surface Shop's Ashlar cladding comes in geometric sizing and shapes that reflect today's avant garde appetite for new building design. Whether that's the XL sized Whitsunday cubes or the highly manicured, linear look of Sun Valley - We're drawing on the world's greatest Design Markets to bring you the next generation of Ashlar Cladding.

ASHLAR Specs

ASHLAR

Surface Shop's lineup of Ashlar Stone Veneer encompasses two new Urban options: (1) The structured and clean appearance of our Sun Valley, which is sawn-cut on four sides and its back; and (2) The raw, rugged and hand-chipped style of our Whitsunday, Ochre Blend and Charcoal colors. These cuboid forms will give a stunning, structured appearance to your next transitional design.

INSTALLATION TECHNIQUES

Dry Fit Style

This newer style of installing Ashlar Stone Cladding is considered the most advanced and new urban look available on the market today. Highly desirable, but use skilled masons only to achieve this look. The use of mockups is also recommended.

Mortar Joint Style

Timeless, classic, and versatile, the Mortar Joint Style never fails to impress and is an efficient use of the raw stone. Use different colored mortar joints to create unique looks that match your unique project and design appetite.
